Best handling car for the money! in Angier NC

by Benj on Thu Aug 15 2019

Performance, and handling without breaking the bank. Cheap insurance, and stylish, always a head turner! If you haven't driven a mustang convertible through the blue ridge parkway, you haven't seen beauty at its finest. I would recommend it to anyone.

Awesome car, reliable; I can not find any issues other than cheap and boring interior design. With the interior it was a new vehicle and hd rattles and noises like if the car was 10
